

ILDONG BIOSCIENCE

PREMIXED BLENDS

STABLE. TARGETED. READY-TO-FORMULATE.

PREMIUM PROBIOTIC BLENDS

COATED WITH
TECHNOLOGY  **SHIELD®**

Ildong Bioscience offers expertly crafted premixed blends designed for digestive health, immunity, women's health and overall wellness. Powered by our QShield® technology, these blends deliver superior stability, survivability and performance. Ideal for capsule, tablet, stick packs and powder formulations.

WHY CHOOSE ILDONG PREMIXED BLENDS?

1 QSHIELD® COATED-STRAINS

Protection from heat, moisture, and gastric conditions for reliable efficacy

2 READY-TO-USE CONVENIENCE

Save time and resources—no need to source or mix multiple components

3 MARKET-DRIVEN FORMULATIONS

Blends tailored for top wellness categories

4 CONSUMER FOCUSED

Decades of probiotic expertise, GMP-certified manufacturing, and certifications that meet today's consumer standards

LET'S CREATE THE NEXT WELLNESS ESSENTIAL

With Ildong's science-backed blends, you get stability, flexibility, and market-ready solutions from one trusted source.
